### Essomo 1—Ekyokulabirwako Kya Paulo

The Bible describes a new believer as a babe in Christ. Just as a healthy baby experiences the various stages of growth before reaching adulthood, the baby Christian should steadily progress on the path to spiritual maturity. It is tragic when a baby fails to grow and become a healthy, mature adult. It is likewise grievous when a Christian stops short of spiritual wholeness and maturity. Our heavenly Father desires all His children to develop into mature men and women of faith.

Bayibuli enyonyola omukiriza omupya nga omwana omuto mu kristo. Nga omwana omugimu bwayita mu mitendera gyokukula nga tanafuka mukulu. Omukristayo omuto alina okukula mu kubo elyo mwoyo okukula.
